

# MEET THE TEACHER

Mrs. Lindsey Lane

## Welcome to 3<sup>rd</sup> Grade

Third grade rocks—no doubt, it's true!  
A year full of wonders and things to pursue.  
With pencils that race and notebooks that shine,  
You're writing your stories one line at a time.

You master big numbers, you read chapter books,  
You sharpen your skills with confident looks.  
Multiplying dreams, dividing your fears,  
Growing a little more with each passing year.

There's laughter at recess, games in the sun,  
Tag, swings, and races—so much fun!  
Friendships get stronger, kindness takes root,  
Sharing and caring become second nature to you.

Your mind stretches wide like the sky up above,  
Filling with questions, ideas, and love.  
From science experiments to history tales,  
Every small success feels like setting sail.

Third grade rocks—it's a magical ride,  
With curiosity always right by your side.  
So step into each day, brave and bright—  
You're learning, you're growing, you're taking flight.
