

Welcome to 6th Grade!

Mrs. Butler & Mrs. Kurko

Hello! I am Amy Kurko and am excited to be your child's math & cottage teacher! This is my 13th year teaching 6th grade, & my 16th year at EDUPRIZE. I am from San Jose, CA, and then lived in San Diego for 11 years. I have been in AZ for 21 years. I am an alumna of San Diego State University with a bachelor's degree in Elementary Education. My husband Patrick & I have been married for 31 years, and we have three children. Maddy is 26, Gavin is 22 and just graduated from, ASU, and Max is 18 and starting his first year at ASU in August. They all attended EDUPRIZE!

Hi! My name is Amy Butler, and I am excited to be your child's ELA and Social Studies teacher. My youngest daughter, Tatum, attended EDUPRIZE when it first opened and is now in college. I have another daughter, Nachelle, who is 31, and I have been married to my husband for over 30 years. Reading is a passion of mine and my objective this year is to foster a love of reading in my classroom. I look forward to meeting each one of my students; we are going to have a great year!
