

Dear Fabulous First Grade Students and Families,

My name is Mrs. Christa Harris, and I will be your child's first grade teacher this year! Teaching is my greatest passion, and I am honored to be your child's teacher. This will be my 20th year teaching here at EDUPRIZE! I have been certified in AZ for 29 years and have taught preschool, kindergarten, first, and second grade. My husband, Doug, and I have been married for thirty-one years and have two amazing adult daughters who are both former EDUPRIZE students! Our daughters are now ASU graduates and married to our two wonderful son-in laws. We are beyond proud of our growing family and love to spend time together as much as we can.

As your child's teacher, I will try to make this year the very best. We will have many challenging and fun-filled learning adventures ahead of us. This is going to be a great year of learning and growing academically, socially, and emotionally. We will begin the school year becoming a class family by learning about character, friendship, and community. Everyone will become better readers, writers, scientists, and mathematicians. Our cottages this year are: ***Wavelength Arcade, Plymouth Plantation, Resource Resort, and Bird House.***

Thank you for entrusting me with the education of your child. With your help and support it will be a fantastic year!
