

Welcome to the 2026-2027 school year STEAM. STEAM is a **PAID** before and/or after school option for students to attend. STEAM has a morning session from 6:30 am - 7:30 am that is available to AM FLEX students and Full Day students. Our afternoon session is available for PM FLEX students from 3:40 pm - 6:00 pm and Full Day students from 3:00 pm - 6:00 pm. We do not offer morning STEAM for PM TOPS students or afternoon STEAM for AM TOPS students. Kindergarten students are able to start STEAM starting August 3rd. Kindergarten students who start after the first day of school will need to attend EDUPRIZE as a student for 2 weeks before they can enroll in STEAM.

- 3 children = \$24/day*

*Before/After School "Drop In/Same Day" Rate is 2x the regular fee

LATE FEES: * 1 Day Late Fee = \$10, 2-5 Day Late Fee = \$25

Morning STEAM is held in the computer lab. Students will work on our school approved learning platform during their time in the lab. Afternoon STEAM is held in different classrooms and students will start with a silent reading time, they will be given a small snack, they will have time to work on their homework, and after homework, students will be given time to socialize and play games, work on computers, do art projects, and other activities. STEAM is not a tutoring session. Students are grouped together in smaller groups for the time they are with us. Instructors will provide homework time; however, homework checking is the responsibility of the parent. If your student is struggling with homework, they will be instructed to complete it at home with the help of a parent - PLEASE make sure you are checking homework with your child/children every day. Most students just want to play and participate in the

activities and will opt to complete homework at home instead of during STEAM (we do not force them to do homework with us).

STEAM forms will be sent out via email each month. Forms this year will be completed on Google Forms and will be sent directly to the enrollment coordinator. Once a form is received, a STEAM instructor will add the fees to your child's (or oldest child's) Infinite Campus account and you will receive an email that your fees are ready to pay. All pricing is listed above and on the forms. If your sign-up is received on the day of, you will be charged the same day fee for that day. Payment must be received BEFORE your child/children may attend. Late fees will be added if payment is not received prior to attending for the month.

Communicating with STEAM is easy - just email qc.steam@eduprize.com for any questions, concerns, or to sign up. Thank you!
