10:30 – 10:45	Break
10:45 – 11:45	Cottage
11:45 – 12:00	Wrap up

Welcome Letter:

Hello Families,

Welcome to a new school year! I am so excited to be your child's teacher and to partner with your family this year. I look forward to getting to know each student, celebrating their strengths, and supporting them as they grow academically, socially, and personally.

Our virtual classroom will be a place where students feel safe, valued, and encouraged to do their best. Throughout the year, we will learn, explore, create, ask questions, and build confidence together. My goal is to help students develop a love for learning while providing the support and guidance they need to be successful.

In our K–2 classroom, students will participate in interactive lessons, hands-on activities, small-group instruction, and independent learning opportunities. We will focus on building strong foundational skills in reading, writing, math, science, and social studies while encouraging curiosity, problem-solving, creativity, and independence.

A strong home-school partnership is an important part of student success. Open communication is very important to me, and I encourage you to stay connected by checking assignments regularly and reaching out with any questions, concerns, or information that will help me better support your child.

Together, we will create a positive learning environment where students feel confident, supported, and excited to learn. I am honored to be part of your child's educational journey and look forward to a year filled with growth, learning, and memorable experiences.

Please join us on Monday, July 20th at 4:00 PM for our Back-to-School Celebration with the following link:

[Meet the Principal \(Dr. Horning\)](#)

After the celebration, we will break into our grade-level groups to meet, ask questions, and prepare for the upcoming school year. My Google Meet link is below:

[Insert Google Meet Link]

I am so excited to meet you and your child and begin this new school year together! I look forward to getting to know your family and can't wait to see everyone soon!

Warmly,

Sydnee Randall

Supply List

- Box of 24-count Crayola Crayons
- 1 package of Crayola markers (thick or thin)
- 2 large Elmer's glue sticks
- 1 pair of child-safe scissors
- Package of pre-sharpened Ticonderoga Pencils
- 2 Expo dry erase markers (black)
- Small whiteboard (use tissues or old sock as an eraser)
- 1 Primary composition notebook (with dotted midline)

Optional: Any additional items you feel will help your child be successful during virtual learning.

Whiteboard Alternative: Students may use a sheet protector with a plain sheet of white paper inside as a reusable whiteboard.

Cost Max = \$25
