

My name is Lauren Duffy-Corral, and I am excited to be teaching P.E. at Eduprize for the 26-27 school year! I previously taught here as the 5th grade AM FLEX teacher and am grateful to continue being a part of such a strong and supportive school community.

I hold a Bachelor of Science degree in K-8 Education from Grand Canyon University, and I am passionate about helping students stay active, build confidence, and develop lifelong physical literacy through fun and engaging activities.

A Little About Me

I've been married to my sweetheart, Ry, for 17 years, and we have two sons, Beau (14) and Kade (12). In my free time, I enjoy reading and spending time outdoors fishing, hiking, kayaking, and exploring. I am a huge sports fan, cheering for all teams Chicago and anything rugby related. I also continue to play recreational soccer, playing with my coed team on a weekly basis. Additionally, I serve as the Youth Rugby Commissioner for the state of Arizona which has expanded my opportunity of creating consistent and positive experiences for Arizona youth.

I look forward to seeing all new and returning faces at Eduprize K-6 Open House on Monday, July 20th from 11:30 am-4:00 pm!
