

EAGLES

EDITION

Welcome Back EDUPRIZE Families,

It was so thrilling to have all of our EDUPRIZE Eagle Campers back on our campus this week. The first 3 days have been amazing! The students were able to learn classroom routines and expectations, as well as get to know their classmates. Teachers use these first few weeks of school to set the tone and establish that special bond between student and teacher. Next week, we will dive into more curriculum setting the daily routines. Students will begin homework, so make sure to check your child's teacher newsletter for specifics.

Our carpool has been running SO smoothly for the first week! The best way to help it continue to go smoothly is to pull all the way down the lane at morning drop-off, and to arrive ON TIME (not early) at pick-up. In fact, arriving at 3:05 will often get you out of here faster than coming at 2:50 if you have a 3:00 pick-up.

Also this week, Mrs. Deist, Mr. Ambos, Mrs. Sheridan (our new school counselor!) and I were able to visit every classroom to introduce our theme this year, Camp EDUPRIZE. We are excited to see students help their classes earn merit badges for showing our THRIVE values and much more! I will share more about our theme as the weeks go on!

The best way for kids to learn and grow is when there is a strong home-school connection. Frequent communication between teachers and parents is vital to student success. We will share school and class newsletters with you, weekly, so make sure you read them to stay in the know. Have a question, suggestion, comment, or positive feedback? Please email that to the teacher or me at any time.

I am truly ecstatic that you have chosen EDUPRIZE. Thank you for entrusting us with your children as we provide them with an "A+" education.
