2026 – 2027 Kindergarten Program Options

Gilbert Campus

We are pleased to offer a variety of Kindergarten program options for the 2026 – 2027 school year to meet the varied scheduling and financial needs of our families. Please see below for detailed information about each option. All programs utilize our acclaimed EDUPRIZE curriculum and methodology.

FLEX (Flexible Learning EXperience) Program:

EDUPRIZE families know and love our amazing FLEX program! FLEX features approximately the same number of instructional minutes as our Full Day program but offers schedule options that are perfect for young children and busy families.
