

EAGLES

EDITION

Dear EDUPRIZE Parents,

Learning is already in full swing at EDUPRIZE. I was able to visit almost every classroom this week , where I was able to see the students fully engaged in learning in each and every room! Students started earning our first Camp Eduprize merit badge called the Camp Explorer badge for either thriving in class routines or being kind to old and new friends. We also welcomed our youngest, PreK students to school! There are a lot of great things going on at EDUPRIZE!

I do need to give my heartfelt gratitude to our junior high staff and parents who were so patient and understanding about the delayed start on Tuesday morning due to the power outage in B3. As soon as power was restored, our Eagles returned (thanks for making 2 trips parents) and our teachers just carried right on with the day! Thank you for your flexibility and resilience with that unexpected interruption to our week.

Next week we continue to strengthen that home/school connection with our Curriculum Nights for all grade levels. This night is VERY important for parents to attend so that you are familiar with our school and classroom expectations and procedures. You will report to your child's classroom on the date/at the time listed below. Jr. High will run 3 identical, 30 minute presentations in the room listed below. You can join any of the three!

- 8/4 - PreK-3 Curriculum Night
 - K-1 - 5:00
 - 2-3 - 5:30
- 8/5 - 4th-8th Curriculum Night
 - 4th, 6th, 7th-8th (1) - 5:00
 - 5th, 7th-8th (2) - 5:30

 - 8th grade room 303

"After performance anxiety resulted in us withdrawing from a different dance studio we didn't expect to try it again. When Tippi Toes came to our daughter's school however, it was an easy way to add a fun extra curricular to her day. We had low expectations of making it to the final performance, but our daughter gained enough confidence to joyfully perform with her friends on stage. It was a huge win for our entire family, and we are grateful for all that Tippi Toes provided!"
